## Did you Know?

Did you know the menu options on our Main office line have changed?

Our dedicated line for Providers Line is the fastest way to schedule your patients.  
**(615) 997-0055.**

If you call our main line **(615-983-6000)**, when prompted to select an option for a provider, please dial 2 to be connected to the Provider Line Team.

For the best experience, please use your office phone when making a referral whenever possible rather than a personal cell phone. Our phone system has been optimized to route familiar provider phone numbers directly to our Provider Services team!

Thank you for helping us keep our phone lines running efficiently!

Please note that these dates are subject to change.  
Please call our Provider Line for scheduling.
