Did you Know?

Did you know that we have dedicated Phone and Fax lines for our referring providers?

These Provider Lines were created to provide an easier, more efficient way for referring offices to contact us with questions and scheduling patients.

Provider Line Phone: 615-997-0055
Referral Fax Line: 888-818-0952

This fax line can also be used to send records for patients already scheduled. To ensure the best service for you and your patients, please continue to share only our Main phone and Main fax number with your Patients.

Patient Phone: 615-983-6000
Main Fax: 615-983-6010

Please note that these dates are subject to change.
Please call our Provider Line for scheduling.
